Yearbook Theme *Sugar Frosted* Success

Welcome to the 1983 Jackson Center Roar. I'm Tuffy the Tiger, your school mascot and guide for our tour of the Jackson Center Local Schools. During this tour we will visit all the high points of the school, such as teachers, students, sports and groups.

The first stop on our tour will show how the average Jackson Center student spends his spare time. This includes such activities as Student Council, musical groups, F.T.A., and Homecoming.

Our next stop will be the sports department of J.C.H.S. This department has been extremely successful in the past and this year is no exception. Basketball, volleyball, and golf are representative of the variety of sports offered here.

Next on our tour will be the student and faculty section. Here you will be treated to individual pictures of each student, and introduced to the High School faculty and administration.

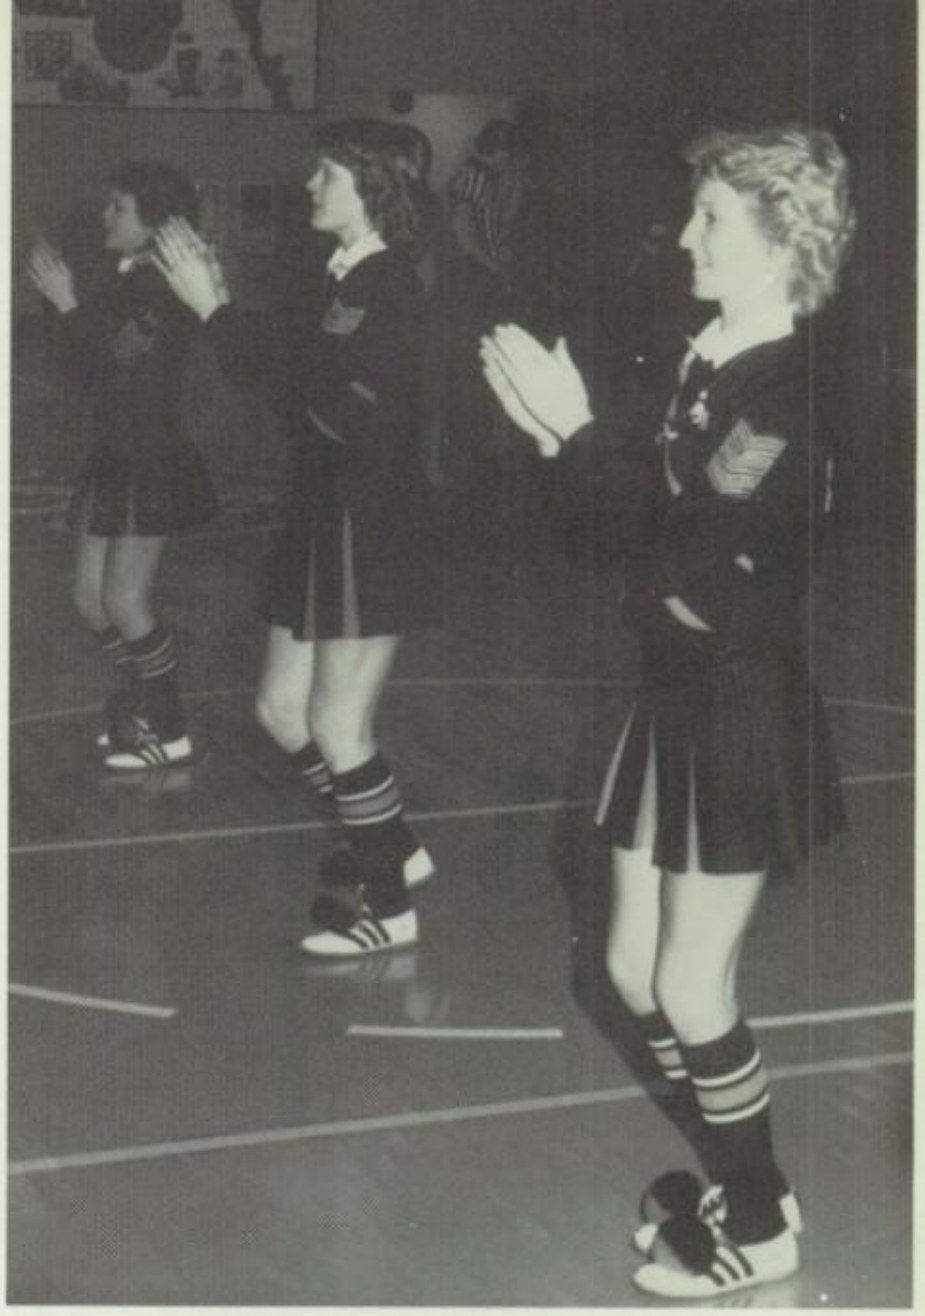
Student Life — 8

After meeting all these people, I'm sure you are tired, so you can stop here to view the ads of the numerous sponsors of our yearbook. These agencies enable the staff to put out a good book, and are greatly appreciated. As you can see, nearly every kind of business is represented here.

Our final stop of the day will be a summary of the final months of school. Here you will see Prom and Graduation, and will meet the Annual Staff. Also, you may attend the yearbook dedication.

This ends our tour of the Jackson Center Local Schools, and I hope that you enjoyed seeing how our school functions. If you wish to go back on your own, and visit some sections again, you are perfectly welcome. Thank you for your attention.

Activities played a major role in the schedule of the Jackson Center students, whether as a part of the school agenda or as an out-of-school activity. Activities could be an amusement or a hobby.



Tuffy the Tiger Says:

"Activities are Sugar Coated at J.C.H.S.!"

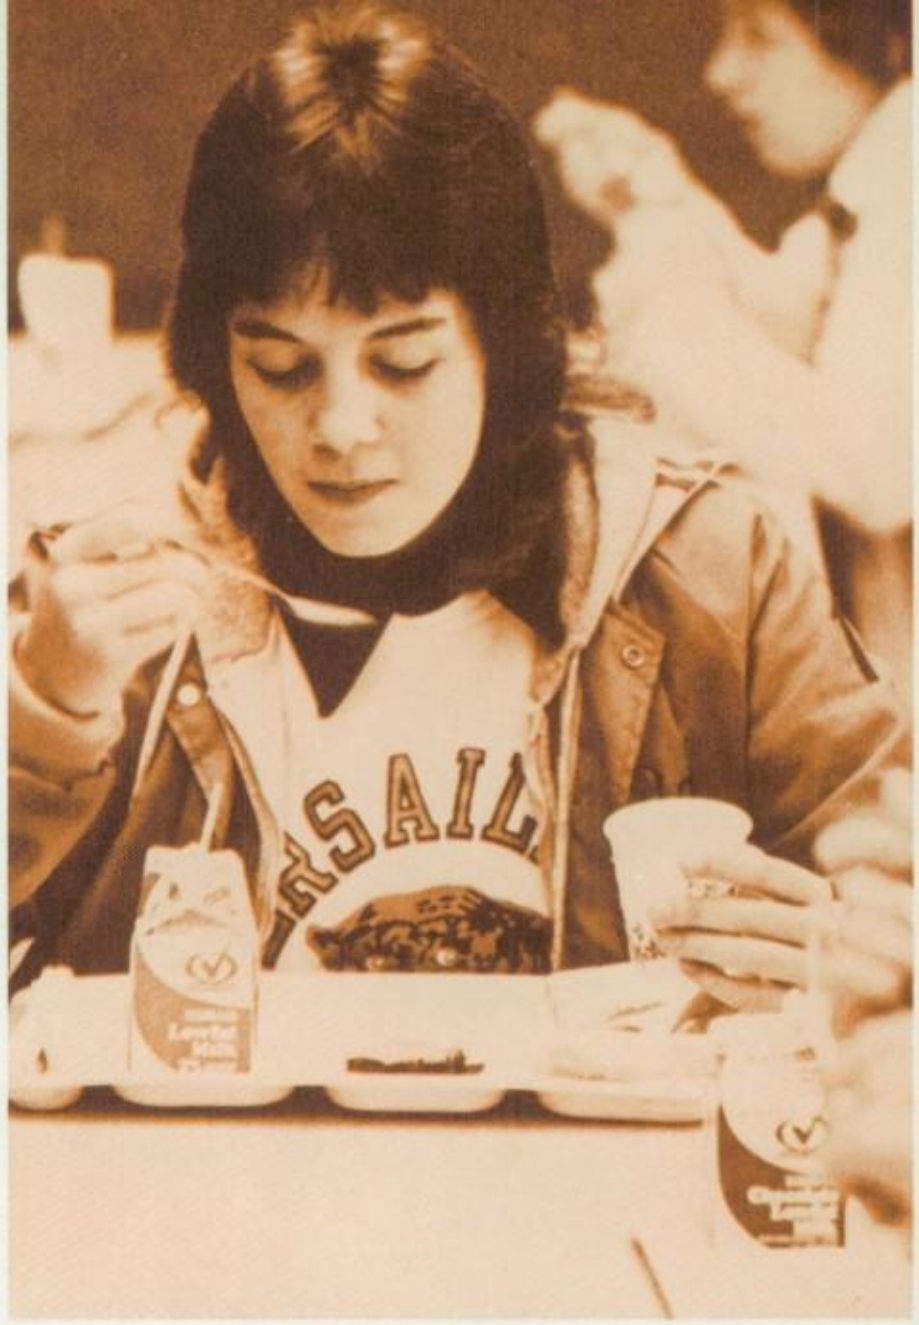
Activities ranged from cheering at the Homecoming Game, cooking in food's class, or cheering at a pep rally, to typing, studying, and preparing the Homecoming Show.

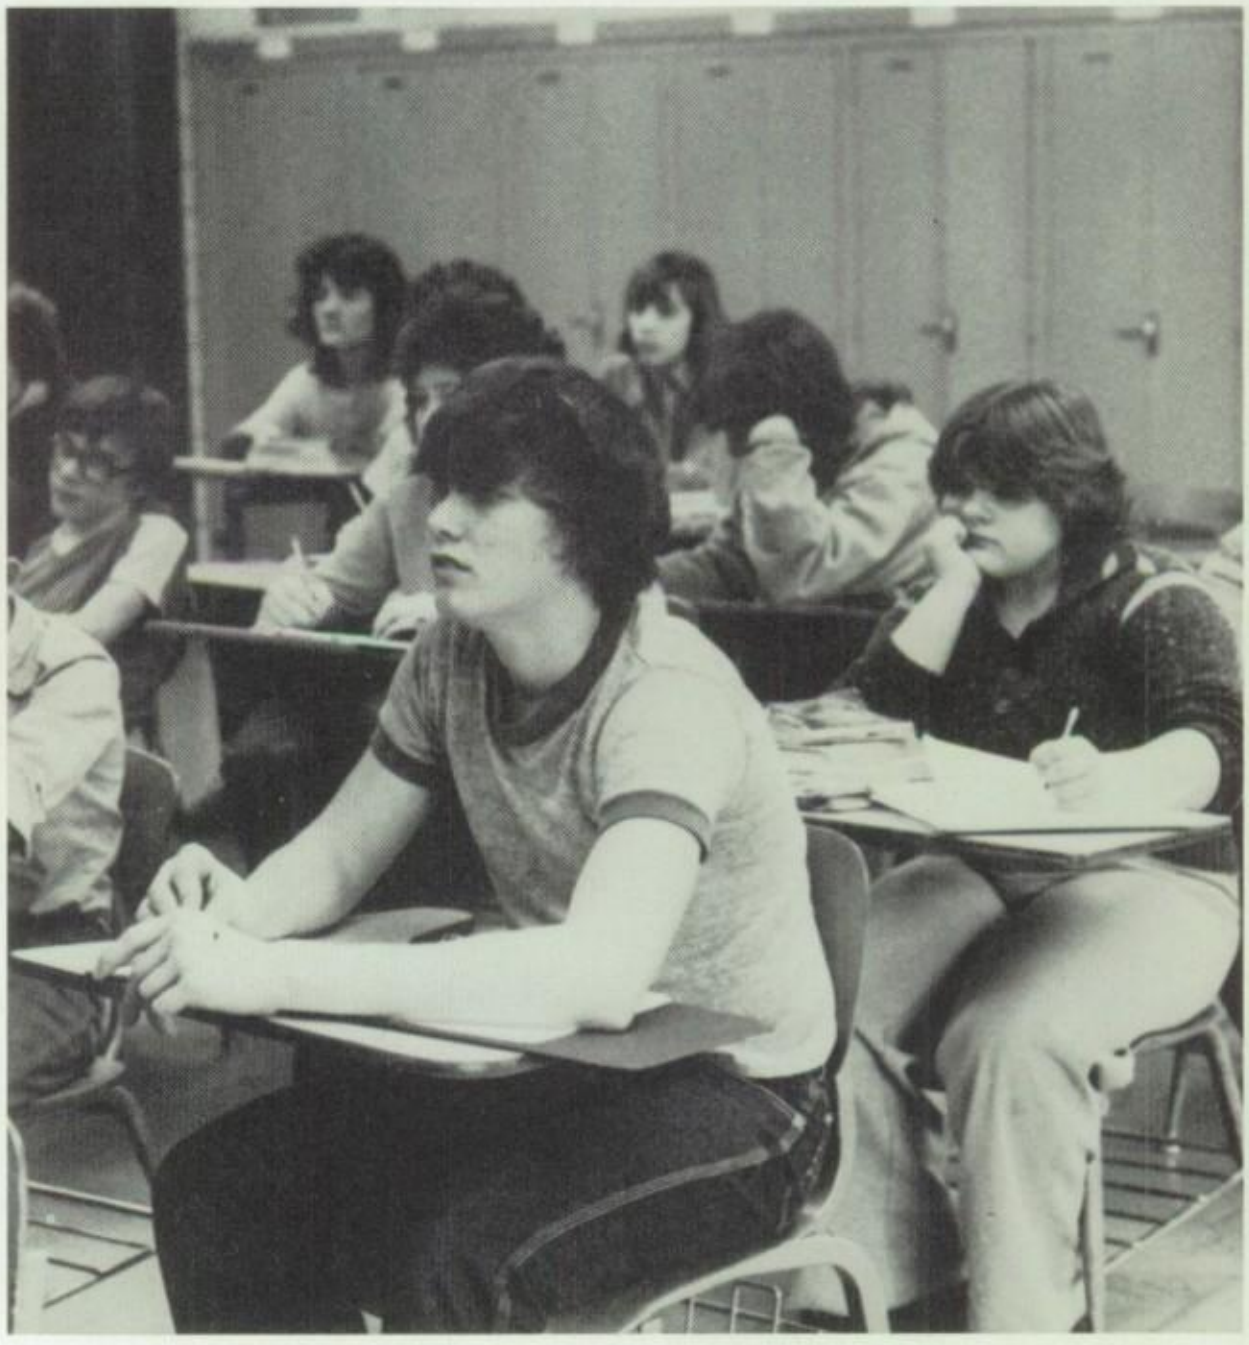
Various activities could be enjoyed by every teacher and student at Jackson Center.

Activities were not just for amusement, as some had to do with vocations, academics and the arts.

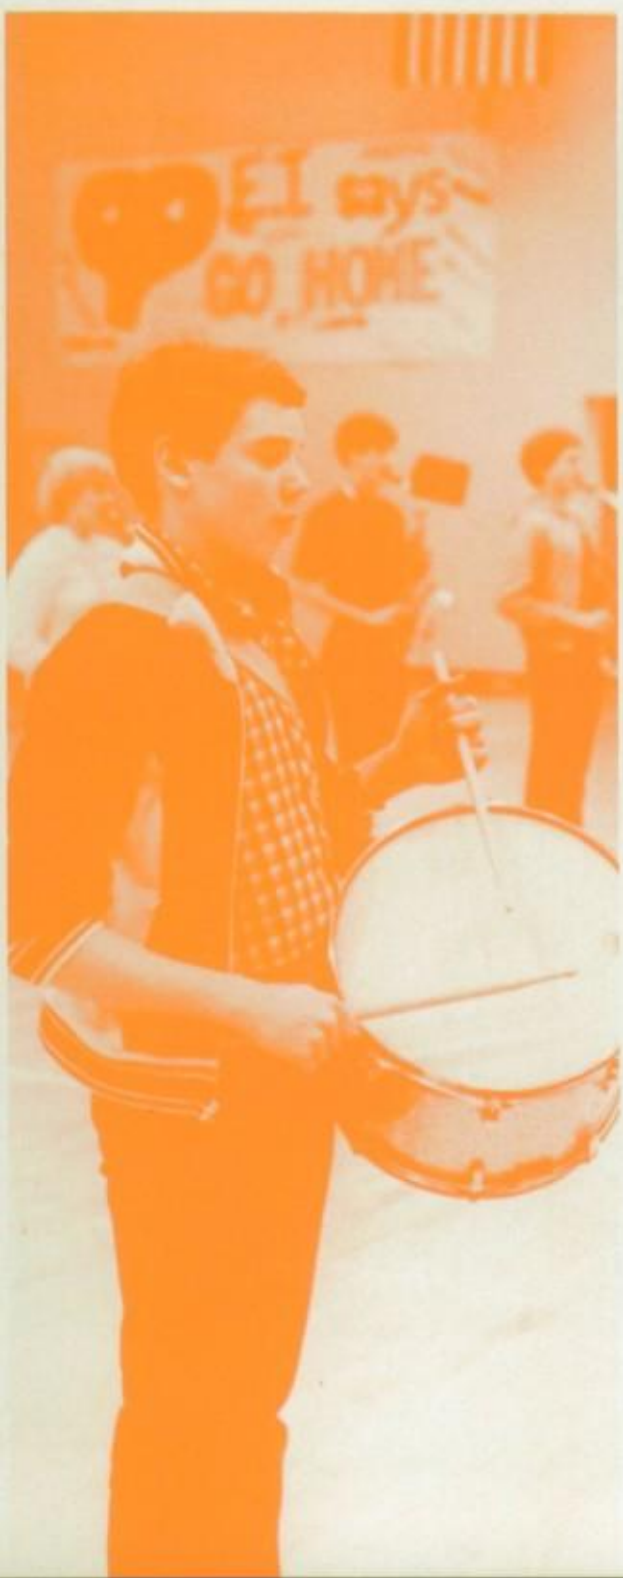
Whether as an amusement or as more serious pursuit, Jackson Center Tigers were always involved in some sort of activity!

Personalities are like colors of the rainbow. The unusual quality of a personality is complemented when viewed with other personalities, just as a color is made vivid when compared with other colors. Interacting personalities create spirit in a high school just as blending colors create life in a painting.





. . . Personalities



Jackson Center High School is rich with diverse personalities: enthusiastic extroverts, shy introverts, serious "intellectuals," creative artists, and musicians, aggressive athletes, class clowns, and well rounded achievers. The intermixing of these personalities produces our school's identity.

Sugar Coated Activities

Activities play an important role in the life of a Jackson Center High School student. These activities can be serious, such as the tense waiting for a score at a basketball game, or silly, like playing husband and wife at a pep rally, grueling, like getting ready for Homecoming, and just plain Grrr-eat, like getting rowdy, and cheering the team on to Victory!

1982-83 Officers

New members inducted in November 1982.

To be inducted into the National Honor Society is one of the greatest honors that can be bestowed upon a high school student. To be considered for this honor, a student must have high achievement in Scholarship, Leadership, Character and Service to their School. This year, the N.H.S. induction was held on November 10, 1982. Twelve students became members of the society on this day. This year, the National Honor Society held a cake raffle during the girls' basketballs games as a money making project. The advisor is Mrs. Watercutter.

Student Council

To be chosen by your class to represent them in student government is an honor. This year, the Student Council sponsored Homecoming activities for the school, a movie at Christmas time, and approved a trampoline assembly for the students. The advisor for Student Council is Mr. Asher, and officers were: Kerry Gorsuch, President; Bruce Teeters, Vice-President; and Tony Meyer, treasurer.

ACADEMIA — #1

From left: Teri McCarthy, Mitch Keith, Jason Wright, Kerry Gorsuch, Mrs. Roll, Shelly Coleman, Brad Wren, Bruce Teeters

To pass the difficult qualifying test and become a member of the Academia team is a great honor. This year, the lucky people included Brad Wren, Jason Wright, Teri McCarthy, Kerry Gorsuch, and Shelly Coleman, Seniors, and Bruce Teeters and Mitch Keith, Juniors.

The Academia organization is county-wide, with Jackson Center, Botkins, Houston, Russia, Ft. Loramie, Anna Lehman and Sidney High Schools each sponsoring a team.

Academia matches take place early in the year. These matches consist of 3 rounds of 3 teams. Each team is asked two questions dealing with the categories Language Arts, Science, Math, Social Studies, Current Events, General Knowledge, Fine Arts and Vocational. Each team has a group of four students per category, and the team receives one point for each correctly answered question.

If a team answers a question and it is counted wrong, the team may object as long as they have at least two sources proving their answer is correct. They must submit the objection before the next match. It was on one of these protests that Jackson Center gained the final point needed for a win and by having the most overall points, captured the championship for the 2nd time in three years.

Congratulations Team!

Mrs. Roll is advisor for the Academia team.

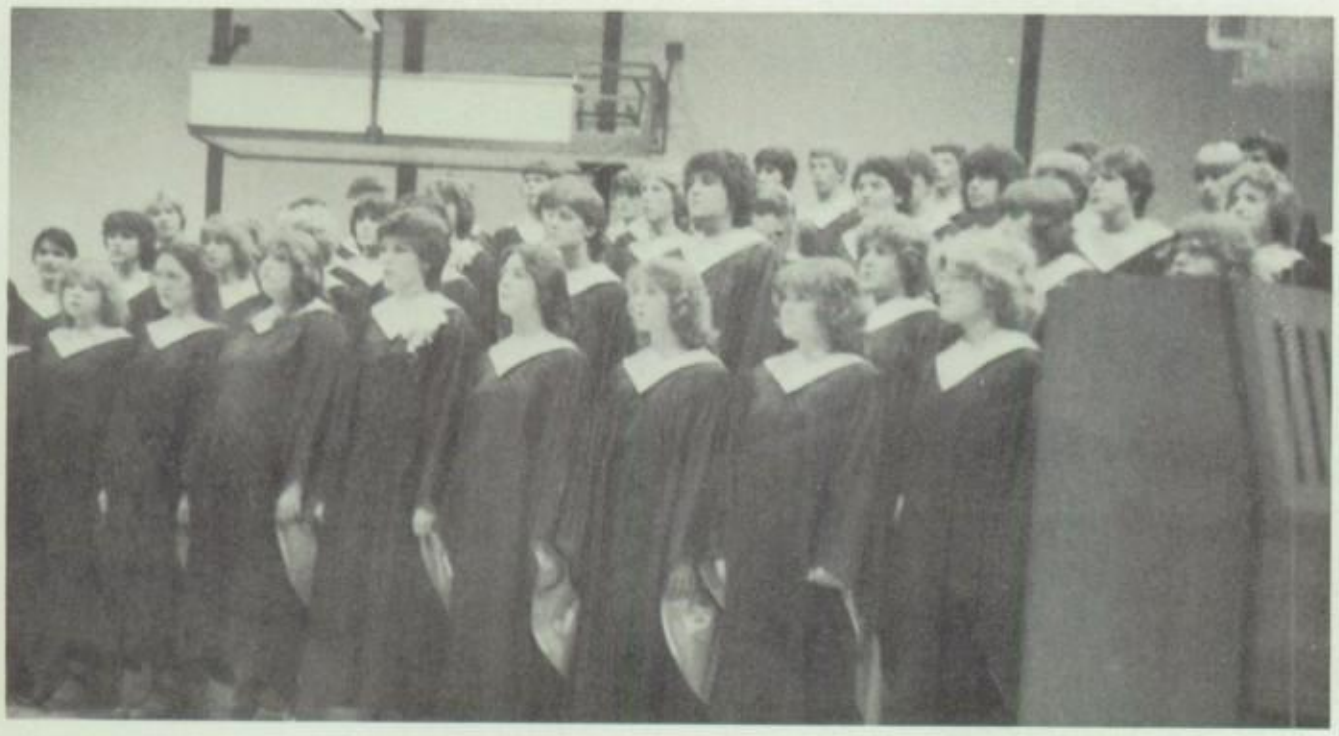
AFTERNOON WITH THE ARTS

"Afternoon With Arts" was held on Sunday afternoon, May 15, 1983. A variety of projects were on display, representing the Home Economics, Industrial Arts and Fine Arts departments.

Spectators were entertained by the vocal and instrumental music groups, grades 5-12.



The Choir had an active year performing many times. Some highlights were performances for the Afternoon With the Arts, The Christmas Concert, and the National Honor Society induction.

The Choir also traveled to Troy High School and participated in choir competition for the first time. It was an interesting experience for all.

Several local churches were able to enjoy the choir this year when members sang for Sunday morning services in the spring.

Mr. Freisthler is the vocal music director for the Jackson Center Local Schools.

J.C.H.S. BAND and MAJORETTES

This year's High School Band was very active. In addition to the Christmas, Spring and Homecoming performances, the band was invited to participate in the Miami University Band Day, the Minster and New Knoxville Parades. The band also marched during the annual popcorn drive and the Memorial Day Parade in Jackson Center. For the third year in a row, the band participated in the Airstream Rally activities and marched in the Community Day Parade.

This year was very special for the band because it was the first year for the new band uniforms, which were purchased through the efforts of the Music Boosters.

Mike Metz went to solo competition for snare drum and received a 2, an excellent rating.

LOCAL BUSINESSES SUPPORT JCHS YOUTH

Many local businesses employ students from J.C.H.S. Some of those students are pictured on this page. Though there wasn't room to picture all the students who are employed by local businesses, we wish to thank all who give our young people a chance to further themselves.

Some end of the year activities pictured are: Coach Harmon assisting with the elementary track and field days; Kindergarteners preparing for graduation; Mr. Hunter briefing the Junior ushers; and an empty A.C. waiting for the Commencement crowd; a student enjoying the May sun on the art room step; and seniors having one final practice for the graduation song.

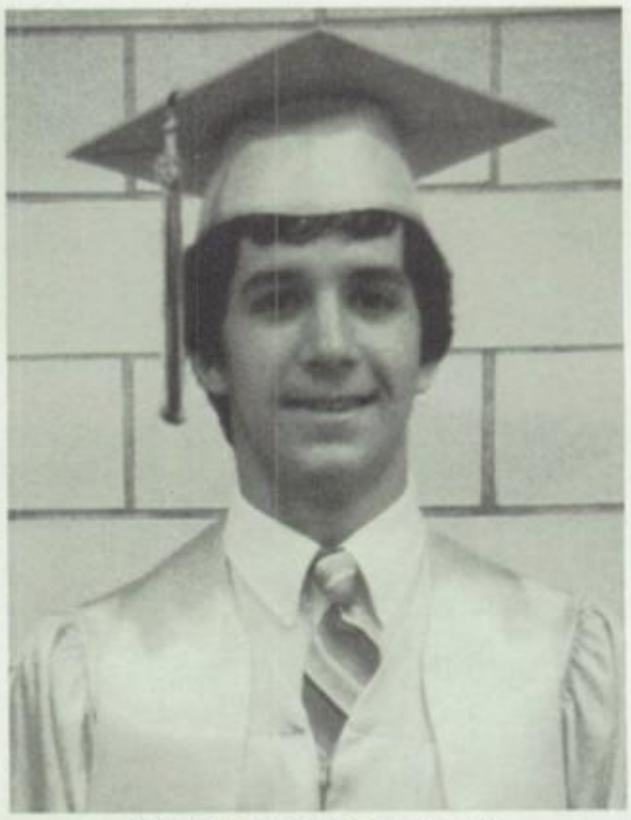
COMMENCEMENT



Valedictorian: Kerry Gorsch

Salutatorian: Shelly Coleman

The Annual Staff had a very busy year preparing this yearbook to celebrate "The Year of the Tiger!"

The Ad Sales Team did a great job of selling ads to finance the book and the staff spent many hours preparing layouts and art work presenting "Tuffy the Tiger" in his travels throughout the school year.

Teri McCarthy and Alan Argabright were the co-editors of the yearbook, with Alan as Business Editor and Teri in charge of page layout and format.

Mrs. Barbara Sailor is advisor for the yearbook staff.

DEDICATION

We, the Roar Staff, dedicate this 1982-1983 Edition to Mrs. Martha Gilfillan and Mr. Wilbur Hurd, who are both retiring this year after many years of service to and caring for the youth of Jackson Center. Although we will miss them, we wish both luck and happiness to them in their retirement.
